**Note:** Pages 4 – 5 of this document are intended for use only by hospital admin and diabetes educator roles.

## ABOUT THIS WEBSITE

Materials can be viewed online, printed or downloaded. Source files needed to upload modules into a learning management system (LMS) can also be downloaded from the website. File types available include: SCORM and Web. The Glucommander® User Manual can also be viewed, printed or downloaded.

**Note:** Access training and supporting documentation by

- Glucommander version
- Roles
  - \*Nurse
  - \*Physician/APP
  - \*Pharmacist
  - \*\*Nurse Educator
  - \*\*Hospital Admin

\*Only see content related to specific role

\*\* See all content

## GLUCOMMANDER ELEARNING MODULES

Best practice recommendation is to complete the eLearning modules as a pre-requisite to your specific facility training. The eLearning modules can also be used for ongoing training needs. These modules can be used for nursing, provider or pharmacy training. There is also a super user category for more advanced nursing learners.

For the module to register as complete, all content must be viewed in its entirety. Skipping forward without viewing the entire module will cause issues with LMS tracking and reporting.

## MODULE SUBJECTS

Glucommander IV

Glucommander Transition

Glucommander SubQ

Inpatient Diabetes Management

Carb Counting Basics

## GLUCOMMANDER ELEARNING ASSESSMENTS

All Assessments created by Glytec have a passing score set to 80%. Learning Management Systems should be set to **80%** as the passing score/completion score for all learners.

## FILE FORMATS

SCORM 1.2

SCORM 2004 - v2, v3, v4

Web

## **GLUCOMANDER TIP SHEETS**

Tip sheets have been created as quick reference companions to the modules.

## **GLUCOMANDER HOW TO VIDEOS**

Glucommander IV

Glucommander Transition

Glucommander SubQ

## **GLUCOMANER FREQUENTLY ASKED QUESTIONS**

Glucommander IV

Glucommander Transition
